

Dear Prabhakar Misra:

I am pleased to inform you that the abstract listed below was accepted for a poster presentation at the 2012 AGU Fall Meeting, 3-7 December, in San Francisco, California. Poster sessions are held in Moscone South at 747 Howard Street.

Abstract Reference Number: 1490301

Abstract Title: Organic Contaminants Library for the Sample Analysis at Mars

Paper Number: P13A-1893

Presentation Type: Poster Presentation

Session Title: P13A. Laboratory Investigations Supporting Analysis of Data Sets From Mars, the Moon, and Other Planetary Bodies (Cosponsored by MSA) III Posters

Presentation Date and Time: December 3, 2012; 1:40 PM - 6:00 PM

Location: Poster Hall, Moscone South

Note: Poster sessions are scheduled 0800h-1220h in the morning and 1340h-1800h in the afternoon.

Although poster sessions are only active for one half day, authors must put up their displays in the morning between 0730h and 0800h and leave them up until 1800h for maximum viewing opportunity. You must be present at your poster for at least one hour during the allocated session time. All posters **MUST** be removed from the Poster Hall prior to 1830h on the day of your presentation or they will be recycled.

PRESENTER INSTRUCTIONS AND GUIDELINES:

Please review the presenter guidelines to prepare your presentation. Presenters will also have the opportunity to order any needed AV equipment. Instructions can be found on the Fall Meeting Web site: <http://fallmeeting.agu.org> You may browse the entire program here: <http://agu-fm12.abstractcentral.com/planner.jsp>.

e-POSTERS: In early November, a site will be provided for poster presentations to be uploaded for viewing online. Video files will also be accepted, and viewers will have the opportunity to provide feedback and ask questions by posting comments. Email notices will be sent when the site becomes available.

Reminder: The deadline for both hotel reservations and early registration is 2 November. After 2 November, registration fees will increase.

Should you need additional information, please e-mail fm-help@agu.org.

Regards,

A handwritten signature in blue ink that reads "Joanna Ward".
